

CHRONO

Central Intelligence Agency

Washington, D.C. 20505

OLL 84-4457/7

20 DEC 1984

The Honorable Edward P. Boland, Chairman  
Permanent Select Committee on Intelligence  
House of Representatives  
Washington, D.C. 20515

Dear Mr. Chairman:

STAT This is in response to your letter of 12 December 1984  
with a copy of a letter [redacted] sent to  
President Reagan.

STAT [redacted] is concerned that he is "...under the  
surveillance, harassment and torture...by the Central  
STAT Intelligence Agency," instigated by the National Marine  
Fisheries Service. Please assure [redacted] that under  
Executive Order 12333, signed by President Reagan on  
4 December 1981, the CIA is prohibited from conducting such  
activities as described by him.

STAT A search of Agency records surfaced no information  
pertaining to [redacted]. The absence of any information in  
our files indicates that we have had no interest in your  
constituent.

Sincerely,

/s/Charles A. Briggs
